In all districts, as indicated, a #sign# erected prior to December 13, 2000, shall have #non-conforming use# status pursuant to Section 52-82 (Non-Conforming Signs Other Than Advertising Signs) or Section 52-83 (Non-Conforming Advertising Signs) with respect to the extent of the degree of #non-conformity# of such #sign# as of such date with the provisions of Sections 42-52, 42-53 and 42-54, where such #sign# shall have been issued a permit by the Department of Buildings on or before such date. In all such districts, as indicated, a #sign# other than an #advertising sign# erected prior to December 13, 2000, shall also have #non-conforming use# status pursuant to Section 52-82 (Non-Conforming Signs Other Than Advertising Signs) with respect to the degree of #non-conformity# of such #sign# as of such date with the provisions of Section 42-55(a)(1) and (b), where such #sign# shall have been issued a permit by the Department of Buildings on or before such date. Nothing herein shall be construed to confer #non-conforming use# status upon any #advertising sign# located within 200 feet of an arterial highway or of a #public park# with an area of one-half acre or more, and within view of such arterial highway or #public park#, or where such #advertising sign# is located at a distance from an arterial

highway or #public park# with an area of one-half acre or more which is greater in linear feet than there are square feet of #surface area# on the face of such #sign#, contrary to the requirements of Section 42-55(b). The #non-conforming use# status of signs subject to Section 42-55(c) (1) and (2) and (d) shall remain unaffected by this provision.

For the purposes of this Section, arterial highways shall include all highways that are shown on the Master Plan of Arterial Highways and Major Streets, as "principal routes," "parkways" or "toll crossings," and that have been designated by the City Planning Commission as arterial highways to which the provisions of this Section shall apply.

52-83

Non-Conforming Advertising Signs

In all #Manufacturing Districts#, or in C1, C2, C4, C5-4, C6, C7 or C8 Districts, except as otherwise provided in Sections 32-66 or ~~42-53 (Additional Regulations for Advertising Signs)~~ 42-55 (Additional Regulations for Signs Near Certain Parks and Designated Arterial Highways), any #non-conforming advertising sign#, except a #flashing sign# may be structurally altered, reconstructed, or replaced in the same location and position,

provided that such structural alteration, reconstruction, or replacement does not result in:

- (a) the creation of a new #non-conformity# or an increase in the degree of #non-conformity# of such #sign#;
- (b) an increase in the #surface area# of such #sign#; or
- (c) an increase in the degree of illumination of such #sign#.

The provisions of this Section shall not apply to the replacement of a painted wall #sign# or to the replacement of a flexible fabric #sign# consisting of a fabric display area affixed or secured to a wall or other surface or structure, other than a sign structure with a permit issued by the Department of Buildings, by means of hooks, straps, wires or any other stiffening and fastening device.

No #sign# that exceeds or is otherwise in violation of any illumination standard established by rule of the Department of Buildings shall be non-conforming as to such illumination standard one year after such rule becomes effective.

To the extent that such structural alteration, reconstruction, or replacement of #non-conforming advertising signs# is permitted under the provisions of this Section, the provisions of the

following Sections are modified:

Section 52-22 (Structural Alterations)

Sections 52-51 to 52-55, inclusive, relating to Damage or
Destruction.

SPECIAL REGULATIONS APPLICABLE TO CERTAIN AREAS

Special Regulations Applying in the Waterfront Area

62-27

Special Sign Regulations

Within a #waterfront block#, no #flashing sign# permitted in
accordance with the applicable district regulations shall exceed
50 square feet in #surface area# and no more than one such #sign#

shall be permitted for each establishment located on a #zoning lot#, except that no #flashing sign# shall be permitted on any #pier# or #platform#.

74-74

General Large-Scale Development

For #general large-scale developments# involving several #zoning lots# but planned as a unit, the district regulations may impose unnecessary rigidities and thereby prevent achievement of the best possible site plan within the overall density and #bulk# controls. For these #developments#, the regulations of this Section are designed to allow greater flexibility for the purpose of securing better site planning, while safeguarding the present or future use and development of the surrounding area.

74-743

Special provisions for bulk modification

- (a) For a #general large-scale development#, the City Planning Commission may permit:

(1) distribution of total allowable #floor area#, #rooming units#, #dwelling units#, #lot coverage# and total required #open space# under the applicable district regulations within a #general large-scale development# without regard for #zoning lot lines# or district boundaries subject to the following limitations:

(i) no distribution of #bulk# across the boundary of two districts shall be permitted for a #use# utilizing such #bulk# unless such #use# is permitted in both districts;

(ii) when a #general large-scale development# is located partially in a #Residence District# or in a C1, C2, C3 or C4-1 District and partially in other #Commercial# or #Manufacturing Districts#, no transfer of commercial #floor area# to a #Residence District# or to a C1, C2, C3 or C4-1 District from other districts shall be permitted;

(2) modification of the #lot area# requirement for non-#residential uses# in a #Commercial District# with a base #floor area ratio# of 15.0 provided, that for every 750 square feet of gross #residential floor area#

in the #building# there is no more than one #dwelling unit#;

- (3) location of #buildings# without regard for the applicable #yard#, #court#, distance between #buildings#, or height and setback regulations; and
 - (4) variation in the location of primary business entrances ~~—~~ and #show windows# ~~and #signs#~~ along frontages adjacent to #zoning lots# outside the #general large-scale development# without regard to regulations applicable near #Residence District# boundaries.
- (b) As a condition of granting a special permit pursuant to this Section for any #general large-scale development#, the Commission shall find that:
- (1) the distribution of #floor area#, #open space#, #dwelling units#, #rooming units# and the location of #buildings#, primary business entrances ~~—~~ and #show windows# ~~and #signs#~~ will result in a better site plan and a better relationship among #buildings# and open areas to adjacent #streets#, surrounding development, adjacent open areas and shorelines than would be

possible without such distribution and will thus benefit both the occupants of the #general large-scale development#, the neighborhood, and the City as a whole;

74-744

Modification of use regulations

(a) Waterfront and related #commercial uses#

In a C4 District, the City Planning Commission may modify applicable district regulations to allow certain boating and related #uses# listed in Use Group 14A, not otherwise allowed in such district, provided the Commission shall find that:

(1) the #uses# are appropriate for the location and blend harmoniously with the rest of the #general large-scale development#; and

(2) the #streets# providing access to such #uses# will be adequate to handle the traffic generated thereby.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the development.

(b) Location of #commercial uses#

For any #general large-scale development#, the City Planning Commission may permit #residential# and non-#residential uses# to be arranged within a #building# without regard for the regulations set forth in Section 32-42 (Location within Buildings) provided the Commission shall find:

- (1) the #commercial uses# are located in a portion of the #mixed building# which has separate access to the outside with no opening of any kind to the #residential# portion of the #building# at any #story#;
- (2) the #commercial uses# are not located directly over any #story# containing #dwelling units#; and
- (3) the modifications shall not have any adverse effect on the #uses# located within the #building#.

(c) Modifications of #sign# regulations

~~(1) In C6 Districts, the City Planning Commission may modify the regulations of Section 32-65 (Permitted Projection or Height of Signs) for #signs#, other than #advertising signs#, on a non #residential building#, provided that such #signs# will not be incompatible with the character of the surrounding area.~~

- (1) In all #Commercial# or #Manufacturing Districts#, the City Planning Commission may, for #developments# or #enlargements# subject to the provisions of paragraphs (a)(1), (a)(2), or (a)(3) of Section 74-743 (Special provisions for bulk modification), permit the modification of the applicable provisions of Sections 32-64 (Surface Area and Illumination Provisions), 32-65 (Permitted Projection or Height of Signs), 32-66 (Additional Regulations for Signs Near Certain Parks and Designated Arterial Highways), 42-53 (Surface Area and Illumination Provisions), 42-54 (Permitted Projection or Height of Signs), 42-55 (Additional Regulations for Signs Near Certain Parks and Designated Arterial Highways), and, the limitations on the location of #signs# in Sections 32-51 and 42-44 (Limitations on Business Entrances, Show Windows or Signs), provided the Commission finds that such

modification will result in a better site plan.

74-748

Previously granted special permits

Any #development# or #enlargement# granted a special permit by the City Planning Commission under previous Section 74-74 (Commercial Development Extending into More than One Block) prior to February 22, 1990, may be started or continued pursuant to that special permit.

The Commission may administratively, upon application, allow modifications of the special permit granted under Section 74-74 (Commercial Development Extending into More than One Block) before February 22, 1990.

In no event may the Commission grant a modification of a special permit approved prior to February 22, 1990, that would require additional #bulk# distribution among #zoning lots# or modification of the height and #lot coverage# limitations previously established. Any modifications exceeding the limitations set forth herein shall be subject to the provision of the new Section 74-74 (General Large-Scale Development).

No existing #plaza#, #residential plaza#, #urban plaza#, or other public amenity for which a #floor area# bonus or any increase in tower coverage above 40 percent of the #lot area# of the #zoning lot# has been received under Section 74-74 (Commercial Development Extending into More than One Block) prior to February 22, 1990 shall be eliminated or reduced in size except by special permit of the Commission pursuant to a finding that a proposed change will provide a greater public benefit in the light of the public amenity's purpose.

Any #sign# shown on a site plan incorporated as part of a special permit of the City Planning Commission under the provisions of Section 74-74 (General Large Scale Development) prior to (the effective date of this amendment), may be erected and maintained in accordance with such special permit.

- (b) an increase in the #surface area# of such #sign#; or
- (c) an increase in the degree of illumination of such #sign#.

~~The provisions of this Section shall not apply to the replacement of a painted wall #sign# or to the replacement of a flexible fabric #sign# consisting of a fabric display area affixed or secured to a wall or other surface or structure, other than a sign structure with a permit issued by the Department of Buildings, by means of hooks, straps, wires or any other stiffening and fastening device.~~

SPECIAL REGULATIONS APPLICABLE TO CERTAIN AREAS

Chapter 2 Special Regulations Applying in the Waterfront Area

62-27 Special Sign Regulations

Within a #waterfront block#, no #flashing sign# permitted in accordance with the applicable district regulations shall exceed 50 square feet in #surface area# and no more than one such #sign# shall be permitted for each establishment located on a #zoning lot#, except that no #flashing sign# shall be permitted on any #pier# or #platform#.

74-74 General Large-Scale Development

For #general large-scale developments# involving several #zoning lots# but planned as a unit, the district regulations may impose unnecessary rigidities and thereby prevent achievement of the best possible site plan within the overall density and #bulk# controls. For these #developments#, the regulations of this Section are designed to allow greater flexibility for the purpose of securing better site planning, while safeguarding the present or future use and development of the surrounding area.

74-743 Special provisions for bulk modification

- (a) For a #general large-scale development#, the City Planning Commission may permit:
- (1) distribution of total allowable #floor area#, #rooming units#, #dwelling units#, #lot coverage# and total required #open space# under the applicable district regulations within a #general large-scale development# without regard for

#zoning lot lines# or district boundaries subject to the following limitations:

- (i) no distribution of #bulk# across the boundary of two districts shall be permitted for a #use# utilizing such #bulk# unless such #use# is permitted in both districts;
- (ii) when a #general large-scale development# is located partially in a #Residence District# or in a C1, C2, C3 or C4-1 District and partially in other #Commercial# or #Manufacturing Districts#, no transfer of commercial #floor area# to a #Residence District# or to a C1, C2, C3 or C4-1 District from other districts shall be permitted;
- (2) modification of the #lot area# requirement for non-#residential uses# in a #Commercial District# with a base #floor area ratio# of 15.0 provided, that for every 750 square feet of gross #residential floor area# in the #building# there is no more than one #dwelling unit#;
- (3) location of #buildings# without regard for the applicable #yard#, #court#, distance between #buildings#, or height and setback regulations; and
- (4) variation in the location of primary business entrances, and #show windows# and #signs# along frontages adjacent to #zoning lots# outside the #general large-scale development# without regard to regulations applicable near #Residence District# boundaries.
- (b) As a condition of granting a special permit pursuant to this Section for any #general large-scale development#, the Commission shall find that:
 - (1) the distribution of #floor area#, #open space#, #dwelling units#, #rooming units# and the location of #buildings#, primary business entrances, and #show windows# and #signs# will result in a better site plan and a better relationship among #buildings# and open areas to adjacent #streets#, surrounding development, adjacent open areas and shorelines than would be possible without such distribution and will thus benefit both the occupants of the #general large-scale development#, the neighborhood, and the City as a whole;

(a) Waterfront and related #commercial uses#

In a C4 District, the City Planning Commission may modify applicable district regulations to allow certain boating and related #uses# listed in Use Group 14A, not otherwise allowed in such district, provided the Commission shall find that:

- (1) the #uses# are appropriate for the location and blend harmoniously with the rest of the #general large-scale development#; and
- (2) the #streets# providing access to such #uses# will be adequate to handle the traffic generated thereby.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the development.

(b) Location of #commercial uses#

For any #general large-scale development#, the City Planning Commission may permit #residential# and non-#residential uses# to be arranged within a #building# without regard for the regulations set forth in Section 32-42 (Location within Buildings) provided the Commission shall find:

- (1) the #commercial uses# are located in a portion of the #mixed building# which has separate access to the outside with no opening of any kind to the #residential# portion of the #building# at any #story#;
- (2) the #commercial uses# are not located directly over any #story# containing #dwelling units#; and
- (3) the modifications shall not have any adverse effect on the #uses# located within the #building#.

(c) Modifications of #sign# regulations

- ~~(1) In C6 Districts, the City Planning Commission may modify the regulations of Section 32-65 (Permitted Projection or Height of Signs) for #signs#, other than #advertising signs#, on a non #residential building#, provided that such #signs# will not be incompatible with the character of the surrounding area.~~

- (1) In all #Commercial# or #Manufacturing Districts#, the City Planning Commission may, for #developments# or #enlargements# subject to the provisions of paragraphs (a)(1), (a)(2), or (a)(3) of Section 74-743 (Special provisions for bulk modification), permit the modification of the applicable provisions of Sections 32-64 (Surface Area and Illumination Provisions), 32-65 (Permitted Projection or Height of Signs), 32-66 (Additional Regulations for Signs Near Certain Parks and Designated Arterial Highways), 42-53 (Surface Area and Illumination Provisions), 42-54 (Permitted Projection or Height of Signs), 42-55 (Additional Regulations for Signs Near Certain Parks and Designated Arterial Highways), and, the limitations on the location of #signs# in Sections 32-51 and 42-44 (Limitations on Business Entrances, Show Windows or Signs), provided the Commission finds that such modification will result in a better site plan.

Previously granted special permits

Any #development# or #enlargement# granted a special permit by the City Planning Commission under previous Section 74-74 (Commercial Development Extending into More than One Block) prior to February 22, 1990, may be started or continued pursuant to that special permit.

The Commission may administratively, upon application, allow modifications of the special permit granted under Section 74-74 (Commercial Development Extending into More than One Block) before February 22, 1990.

In no event may the Commission grant a modification of a special permit approved prior to February 22, 1990, that would require additional #bulk# distribution among #zoning lots# or modification of the height and #lot coverage# limitations previously established. Any modifications exceeding the limitations set forth herein shall be subject to the provision of the new Section 74-74 (General Large-Scale Development).

No existing #plaza#, #residential plaza#, #urban plaza#, or other public amenity for which a #floor area# bonus or any increase in tower coverage above 40 percent of the #lot area# of the #zoning lot# has been received under Section 74-74 (Commercial Development Extending into More than One Block) prior to February 22, 1990 shall be eliminated or reduced in size except by special permit of the Commission pursuant to a finding that a proposed change will provide a greater public benefit in the light of the public amenity's purpose.
